

Preferred Vendor Guide

At French's Point, we welcome you to select your own vendors for your events.

This preferred vendor guide includes providers that French's Point has had experience with, who strive to provide great service to our mutual clients. This list is carefully curated by French's Point to ensure you can assemble an exceptional team of vendors for your celebration. You are not required to select from only this list of providers. All vendors must carry liability insurance, sign a release of liability form & a vendor code of conduct form, and carry applicable licenses in the state of Maine.
