Note: Our commercial kitchen is available to licensed & insured caterers, approved by our office for meal preparation for events between the hours of 9am - 4pm, unless arranged with our the Property Manager in advance. Use of the kitchen and equipment is offered at no additional cost.

Bar Cooler

For events, a walk in cooler is available near the tent hallway outside the lower level. This cooler is available May-October for cakes/dessert & bar supplies. The cooler is unlocked from 9am - 4pm outside of events, but will be locked outside these times and during events. During events, guests do not have access to the bar cooler. Guests should store their personal food & beverage supply in the kitchen of the Retreat Apartment, Farm House or Beach House.

Note: The temperature in the cooler may drop below freezing should the outside temperature do so. For this reason we suggest not storing flowers or other freeze-sensitive items in this cooler in May, September, or October.
