

Vacation Rental Directory

In the following pages, contain our recommended house rentals. All of these properties are independently owned/managed separately from French's Point, so please contact the property owner directly for more information. Rental properties are a great option for families, or large groups who are looking to turn their trip to Maine into a vacation. Renting a house can also be more cost effective than hotels and other nightly accommodations, while offering convenient proximity to the estate. Many of the recommended house rentals are within walking distance to French's Point!

The house rentals in this directory are listed from closest, in proximity, to farthest from French's Point.
