

## Preferred Vendor Directory

At French's Point, we welcome you to select your own team of vendors for your events.

This preferred vendor directory includes providers that French's Point has had experience with, who strive to provide great service to our mutual clients, and meet the required standards of service at French's Point. This list is carefully curated by

French's Point to ensure you can assemble an exceptional team of vendors for your celebration. With the exception of planners, caterers & bar service providers, you are not required to select from only this list of providers. All vendors must carry liability insurance, sign a release of liability form & a vendor code of conduct form, and carry applicable licenses in the state of Maine.
