

## Preferred Vendor Directory

At French's Point, we welcome you to select your own team of vendors for your events. This preferred vendor directory includes providers that we have had experience with, who strive to provide great service to our mutual clients, & meet the required standards of service at French's Point. This list is carefully curated to ensure you can assemble an exceptional team of vendors for your celebration. Planners, caterers & bar service providers must be hired from this list. All remaining vendors can be hired from other sources. All vendors must carry liability insurance, sign a release of liability form & agree to uphold our policies, & carry applicable licenses in the State of Maine.
